## EMMA GLOVER

**H**i Emma! Do you put the "Lover" in "Glover"?  
Ha-ha, of course! How do I do that? Using oil!  
Do you like this kinky underwear?  
You always seem like such a nice girl! I really like it! It's different, but in a good way. That's what I'm really like. I'm not really pink and frilly. I do have a dark side.  
What's the meanest thing you've ever done? I set fire to my ex-boyfriend's clothes once. He was an arse. He deserved it!  
What one thing is guaranteed to turn you on? Champagne. I think it might be something to do with the bubbles. I'd like to have a bath in champagne. Can we set that up, please?  
Hopefully! What's the rudest thing you can imagine? Sex in a church. I think sex in a confessional box would be super-hot and super-wrong! If more people did that, it might increase the number of people going to church. And they should bring in Naked Wednesdays!  
What's the kinkiest thing anyone's ever asked you to do? Someone asked me to have sex with him and my two sisters! They're really hot but, obviously, I said no! I think his clothes were burned not too long after that!

## LEAH FRANCIS

**H**i Leah! Do you prefer having fun or having sex? I combine the two! Sex has to be fun anyway and if it's not, it's sh\*t sex!

**Is this shoot the rudest you've ever done?** Well, I packed a little bondage-bag of stuff I had at home and brought it with me, and I was told it was all too rude! If enough Nuts readers ask, I'm up for a seriously X-rated shoot!

**Is it true you girls all share a bed when you go out to save money?**

Yeah, I love it! I felt like Hugh Hefner last week – one minute, I was spooning Emma, then I'd roll over and have my face in Rosie's boobs. It was every guy's fantasy!

**You used to be a lap dancer – were you any good?** Oh yes.

I was one of the best, definitely! I used to do it as if I was making love, slowly and teasingly. The key to a good lap dance is a slow movement, drawing them in and sending shivers up blokes' spines. I was the best!

**What one rude thing would you like to try?** I'd like to rent out a guy for the night like in *Secret Diary Of A Call Girl*! I know you could just find a guy in a club, but it'd be a bit of a thrill when it's wrong but it feels so good! ➡

**HOLLY  
PEERS**

**H**olly! If you lived your life uncensored, what would you do? I wouldn't get on the bus, put it that way – not dressed like I am here! If I had the balls, I'd really expose myself – I'd put up a webcam so everyone could follow all my naughty ways!

**What do you prefer to use in the bedroom – whips or candle wax?** Whips. I wouldn't want to be the one receiving the pain, though – I'd want to be the one dishing it out. I'm a bit of a control freak!

**What one kinky thing would you like to try in the bedroom that you haven't done yet?** I don't know, really. I've not done too many things. But I would like to try some of the serious bondage stuff just to see if I liked it!

**What else are you up to at the moment?** Well, I'm doing quite a lot for charity. I'm doing two runs soon, one for breast cancer and one for Cancer Research UK. I said I'd do the first one in under an hour, and it's a 10km run! I can't even run around the block without getting a stitch, so I'm a bit worried. **Maybe you should go topless – that might distract people from your terrible time!** Yeah! I did a topless march in Manchester for charity once, with 18 other girls, all covered in body paint. As it's for breast cancer, maybe I should go topless again. Although I might end up injuring myself! Ha-ha! ➔

## RHIAN SUGDEN

**H**i Rhian! Out of all the girls here today, who's the naughtiest? I'll say Emma Frain, because she's quiet. The quiet ones are the worst. She looks innocent but I bet she's not on the inside! **Are you very X-rated in your personal life?** I'm laid back in real life, you'd be surprised. But everyone has another side to them, don't they? I can't tell you anything in particular! **Do you prefer blindfolds or handcuffs?** I'm going to choose handcuffs. I like to be taken advantage of. Ha-ha! Not in a weird way, but I like to let them do the work sometimes! **What's the rudest thing you've ever seen?** I walked into the kitchen at my friend's house and there was an orgy going on! There were three guys and three girls literally linked together. I've never seen anything like it. It was like I'd walked on to a porn set! **What's the rudest thing you've ever done?** Sex outdoors, skinny-dipping, streaking. I like dressing up and I love having sex outside. Anywhere you might get caught is a good place for me. **Is there anything you want to do that you haven't yet?** If there's anything I haven't done, there'd be a reason. It's good to have some secrets, and besides, it'd probably be too rude to print!

**H** i Lindsey! Do you prefer doing sexy shoots with other ladies or on your own? Both – sometimes,

it can get boring on your own and it's nice to have the view of the other girls! But it's nice to do it on your own sometimes, too, so you can throw a few shapes.

**Who's ruder, northern girls or southern girls?** I think northern girls are better all round, for rudeness and for general fun.

**How do you spot a naughty girl in a club?** She'll be the one with the shortest dress, dancing wildly with a shot in her hand, normally! That might be me on occasion – it depends if I've had too much champagne or not.

**What's the naughtiest thing you've been asked to do?** If I told you, you'd probably die! You wouldn't be able to print it, it's that rude! We're all nice girls but in the bedroom you've got to have a wilder side, haven't you?

**What one thing would you like to do in the bedroom that you haven't done?** There's loads – if I started telling you, we'd be here all day! I like a bit of variety. People should try a bit of everything. If someone said to me I could have a threesome with Gerard Butler and Megan Fox, I'd say hell, yeah! ➔

**"You've got to have a wild side in the bedroom!"**

## EMMA FRAIN

**H**i Emma! What's the most daring thing you've ever done? I did a kind of bungee jump once. With Nuts at Santa Pod last year, there was a fairground, and I went on one of those rides where you're in a big metal ball and it's attached to a big crane by elastic, and it shoots you into the air.

**Have you ever dressed up in the bedroom?** Yes! I've dressed up as a nurse, a sailor and a French maid. And I brought out my sexy Santa outfit last Christmas. My favourite is the nurse. It looks like a proper uniform, and I like uniforms. It's very clean and authoritative. But it's very sexy, too, with a big zip up the front.

**What one rude thing would you never do in the bedroom?** I don't even like saying it, but anal sex! All my friends say, "Up the bum, no harm done!"

I just think it's awful!

**What's the rudest thing anyone's ever asked you to do?** I can't tell you, it's too rude. My nan always buys Nuts when I'm in it and I can't have her reading that!

**Fair enough! Give us a sex tip that'll work every time.** Concentrate on the lady and make sure she's happy. Be adventurous and use your initiative! A bit of foreplay and oral sex will warm her up for the main event! ■
